

DECLARATION OF COMPLIANCE

A fundamental requirement for FCM producers

“A complete DoC is a legal requirement, and auditors carrying out the official controls acc. to EC 282/2008 are presently trained to check it at recycling companies. It is therefore advisable to put some effort in compiling your DoC.”

Manufacturers of food contact materials must provide a written declaration stating that their products comply with the rules applicable to them. This is what EC 1935/2004 says in Article 16. EU 10/2011 outlines concrete requirements for plastic FCM

in Annex IV. To “permit an easy identification of the materials, articles or products from intermediate states of manufacture” (Article 15), each stage of production should provide a declaration of compliance (DoC) with the following information.
